Bank land with 100494 m2 for the construction of a tourist development located in the south of Boa Vista Island in Cape Verde

Urban land with approximately 10 hectares, ideal for the development of a tourist development of excellence, located on the beachfront on the stunning island of Boa Vista, Cape Verde.

Inserted in the prestigious Lacacão Urbanization, in the south of the island, this land benefits from a privileged location next to one of the largest and most beautiful white sand beaches in the archipelago. The area is already recognized for the presence of 4 and 5-star hotels, which reinforces its tourist and investment potential.

Just 20 minutes from Aristides Pereira International Airport, the land allows the construction of a 4 or 5-star hotel, with up to 3 floors and capacity for about 500 rooms, in line with the reference developments already existing in the region. - REF: JFCGD-CV_0001
