Leírás:

3+2 Bedroom Detached Villa on the Golf Frontline located in one of Vilamouras most private areas, right next to the Hilton and just 5 minutes from the Marina. Features direct front views of the golf course, prime orientation, and character-rich architecture that sets it apart from typical market offerings.

Three levels organized for comfortable living and entertaining:

Ground Floor: Opens into spacious, high-ceiling reception rooms with four fireplaces distributed throughout the living areas, and a fully renovated kitchen (2019) finished in microcement, featuring top-tier appliances and direct access to the outdoor patio.

First Floor: Houses three bedrooms, including an en-suite master bedroom, plus a second full bathroom. High-ceiling mezzanines create additional spaces ideal for an office or reading nook.

Basement: Fully habitable with natural light, accommodating two additional bedrooms and a bathroom perfect for guests, a private office, a gym, or a second family wing. This fully functional basement effectively turns the property into a 5-bedroom home.

Outdoor & Exterior Highlights:

Private swimming pool with an outdoor jacuzzi. Mature, well-maintained garden with established trees. Additional benefit of approximately 200 m² of extra garden space along the golf course under a Lusotur concession agreement for the villa's private use. Three private parking spaces within the plot.

Just minutes from the Vilamoura Marina, beaches, the Hilton complex, and top golf courses. The International School, supermarkets, pharmacies, and clinics are all a short distance away.

A unique opportunity for those seeking a flexible family home or a high-yield investment. Must be seen to be fully appreciated.
