We present you this excellent 3 bedroom apartment (currently converted into a functional 2 bedroom), located on Rua de Oliveira Monteiro, in Cedofeita, a few steps from the Boavista area. Inserted on the 1st floor of a building from 1952 (without elevator), the property has already undergone modernization and comfort improvement works, being in a good general state of conservation.

With an area of 71.8 m², the apartment benefits from a fantastic East-West (East-West) sun exposure, which gives it excellent natural light throughout the day. To ensure maximum thermal and acoustic insulation, it is equipped with double-glazed aluminum frames and electric shutters. The house also has a pleasant interior balcony, with direct access from the kitchen, and a full bathroom.

The great differentiating factor and a true rarity in this central area of the city is its unparalleled parking capacity. The sale includes, indivisibly, a closed box garage with an impressive 27.7 m² (ideal for large vehicles and storage area), plus an adjacent parking space plot of land with 16.5 m². (Note: The

apartment and the parking space are autonomous fractions, but will be sold exclusively together).
