### CORNER HOUSE (2 BEDROOMS + 1) ON A CUL-DE-SAC, 500 METRES FROM THE BEACH

There are a number of key factors that determine the value of a property; the most important are the location, the sizes of the rooms, the sun exposure and the view.

This property combines all these features.

In addition to its fantastic location, this house boasts a number of features that make it arguably the best option currently available for sale in the area.

This house is situated on a quiet cul-de-sac, and the development comprises just five properties, of which this is the last one.

It is a corner house, thus benefiting from greater privacy, as well as more windows and natural light.

All the rooms in this house are spacious; take a close look at all the photos we've provided and see for yourself the excellent dimensions of both the living room which features a fireplace and the bedrooms. Originally a two-bedroom house, the kitchen has been moved into the living room, and the room that was previously the kitchen has been converted into a bedroom.

Within 100 metres, you'll find all the amenities you need, so you won't have to use your car.

There are several restaurants serving traditional and international cuisine, a supermarket, a stationery shop, ice-cream parlours, bars and several ATMs.
