Just a few steps from the beach in Torre de la Horadada, this intimate new-build development enjoys a location that truly sets it apart. Here, you can live close to the Mediterranean while also being within easy reach of the lively town centre, with restaurants, terraces, shops and everyday amenities nearby.

The development offers compact and functional 2-bedroom apartments, thoughtfully designed to make efficient use of the available space. Each property features a comfortable living area and its own balcony – perfect for sitting outside and enjoying the pleasant Mediterranean climate.

Without a doubt, the greatest advantage of these apartments is their exceptional location by the beach. No long drives or searching for a parking space when you feel like spending some time by the sea. Simply step outside and walk to the beach for a morning stroll, a refreshing swim or a relaxing afternoon beside the Mediterranean.
