An elegant two-storey villa with a private swimming pool, set within an exclusive resort in Silves and forming part of a private collection of just six villas.

The main floor features a bright and spacious open-plan living and dining area with a fully equipped kitchen and practical breakfast bar. Both the living area and kitchen enjoy direct access to the landscaped garden and private pool, creating a seamless connection between the indoor and outdoor spaces.

Also on this floor is a bedroom with built-in wardrobes and direct access to the terrace and garden. A second room, also with built-in wardrobes, offers excellent flexibility and can be used as an additional bedroom, home office or TV room. A fully fitted bathroom with a shower completes this level.

Upstairs, the spacious master bedroom benefits from a walk-in dressing area, a private bathroom with both a shower and bathtub, and access to a large private balcony. The second bedroom on this floor also enjoys direct access to a balcony.

Large windows throughout the property fill the interiors with natural light, creating a bright, comfortable

and welcoming atmosphere.

The resort offers an exceptional range of facilities, including an 18-hole golf course, clubhouse with restaurant and bar, golf shop and paddle court.

Residents also benefit from on-site maintenance, gardening services and 24-hour security, providing comfort, convenience and peace of mind within this exclusive resort setting.
