in the beautiful Agios Dimitrios of Pelion, in a lush natural environment and with an unobstructed view of the mountain, a particularly beautiful detached house, built in 2016, is available for sale, which combines the traditional character of Pelion with the warmth of a modern country house.

The house is built on a plot of 231 sq m. and has 47.5 sq m. of main spaces, as well as a loft of approximately 10 sq m, where the bedroom is located. On the main level we find an impressive, high-ceilinged living and dining area with a visible wooden roof, a kitchen and a bathroom. The fireplace and the wooden details enhance the warm, authentic atmosphere of the house. A particular advantage is the possibility of expanding the loft, as the relevant provisions already exist, offering the new owner the opportunity to further utilize the interior and adapt the layout to his needs. in the basement there is an additional closed storage space of 18.5 sq.m., particularly useful for a holiday or permanent residence, while the property also has two parking spaces. The outdoor areas and the terrace open up to the unique natural landscape of Pelion, creating an ideal spot for moments of relaxation and enjoyment of the tranquility of the mountain.

A house with a distinct architectural identity, beautiful views and potential for further development, ideal both as a holiday home in Pelion and as an option for tourist exploitation.
