This property is a rustic plot, which confronts two public accesses, located in a small valley, with slightly sloping but not steep topography, over which there are two urban buildings.

One of the urban buildings corresponds to a two-storey house in which the ground floor consists of living room, kitchen and pantry and on the 1st floor by a bedroom, bathroom and a terrace. Access between floors is outside.

The other urban building is a single-storey building where there is a haystack and an outdoor kitchen, which is in ruins.

The building is located in a quiet area and with some single-family houses.

It is located very close to the center of Santo da Serra and the Golf Course.
