#### Descrizione:

Torre del Mar is characterized by the environmental quality and extension of its magnificent beaches, as well as its promenade, a meeting point for many visitors, as well as local residents.

At present, Torre del Mar is a tourist, commercial, and leisure enclave, whose gastronomic offer linked to the 'pescaíto' is part of numerous gastronomic guides.

We present a spacious tourist apartment for holiday rental with all the amenities you need. The apartment is located on the fourth floor with open views of the sea and the mountains. You have two very bright double bedrooms, a kitchen, a living room, a bathroom, and a magnificent terrace overlooking the sea.

On the terrace, we have enough space to celebrate lunches and dinners for four people with unbeatable views and a quiet and relaxed atmosphere.

The urbanization is located in the west part of Torre del Mar, in one of the last central developed areas in front of the promenade. The community areas have a private pool, and parking spaces for cars, motorcycles, and bicycles. In addition, you can request access to a storage room to store beach utensils.

An ideal apartment for your holidays located a few meters from the beach, very close to the city center,

restaurants, and shops to enjoy the summer nights.
