Excellently positioned on Hindsbury Main Road sits this opportunity for the right business. Boasting 32,000 square feet of land this property has the original traditional Barbadian home with its beautiful wooden floors on the main level and concrete floors on the lower level. Downstairs has the kitchen with saloon type doors, a bedroom, the dining area and a bathroom. Some work would bring this back to its former glory

Two other buildings sit on the property and there is plenty more room for development.

This property offers potential for development.
