Descrizione: TULUM

A magical town on the shores of the Caribbean Sea, today Tulum is positioned as one of the most desired destinations in the world.

Famous for its beaches that are located in a privileged natural environment between the jungle and the sea.

A place to dream and enjoy, besides being one of the most important real estate development poles in Latin America.

40% OF GREEN AREAS

A set of independent buildings, around a large central garden and surrounded by nature. Each building will have its own common areas and swimming pools shared only among 8 apartments.

We have different typologies adapted to the needs of residents and investors.

Wsrè is a young and innovative project, designed to enjoy the natural environment thanks to its 5,200 m² of gardens within a 12,500 m² lot.

The ideal place to live, vacation and invest in the Riviera Maya.
