Descrizione:	

Beautiful new plot of villas being built on the well-known golf resort of Lo Romero. Located close to the town of Pilar de la Horadada.

The 18-hole golf course is located amidst natural fields and from the course you can see the sea several times, which is a very nice experience while playing golf. But also for non-golfers this is a very pleasant neighbourhood to be in, surrounded by greenery and tranquillity. The luxury villas are therefore built on the edge of the golf course. The houses are very complete and have 3 bedrooms, 3 bathrooms and a separate guest toilet. In addition, each property also has a spacious roof terrace where you can enjoy the sun. Very nice offer that will certainly be a success given the good price-quality ratio.
