Descrizione:

We have loved the diversity of possibilities offered by a Local located in one of the best areas of Deusto.

Its ground floor, 107 Mts. , we are presented behind its large glass moons, decorated with stone and mirrors, which makes it look more spacious. In the background, we find an area equipped with furniture that could be kitchen, which, partially closing this area, we would use it as a rest area or storage (includes small storage room), or as a productive area for our business, depending on the activity. We are attracted by the joy that the bright colors of its walls give off, although due to its size, they could be decorated in any other color.

We went up to the first floor, about 27 Mts. , for some stairs of forge and wood, safe and at the same time comfortable; These take us to a wide esplanade, which we could take advantage of with various auxiliary furniture, in which there is access to the toilet and a room. The walls of this floor, decorated in stone, would welcome any type of furniture, both for its style and its color, turning this plant into a contemporary and at the same time elegant space.

It is provided with the corresponding facilities, 2 telephone sockets, Alarm installation, Air conditioning
