Descrizione:

It offers for sale a large estate in the picturesque town of Valdestillas, with an area of 128,174 m^2. This unique property includes several buildings and elements, constituting a joint offer of great value, lower by more than 15% to its official appraised value.

Among the buildings are an industrial pavilion of 2001, 24 m2, which has an impressive warehouse, with an overhang of 53,786 m2, for a machine area in which different productive activities can be developed. In addition, there is an auxiliary building of 136 m^2 that includes a warehouse and a workshop.

The finca also includes a comfortable two-storey house, with an area of 143 m^2 per floor. It is an exceptional opportunity for those who wish to combine their productive activity with a nearby residence.

In addition, the property has a transformation station of 28.29 m^2 and an artesian well in perfect operation. All buildings are surrounded by their own grounds, ensuring privacy and security.

The finca is located in a quiet and easily accessible area, with stunning views and lush nature. It is recommended to contact the seller for additional information or schedule a viewing to appreciate all the features of the property in person.
