Descrizione:

Elegant villa of modern design, distributed over two floors plus a basement with English patio, offers a luxury residential space with 3 bedrooms and 3 full bathrooms, plus an additional toilet. Every detail has been carefully selected, including high-end sanitaryware and taps with built-in cisterns, guaranteeing quality and comfort. This property is equipped with a ducted air conditioning system with heat pump on the ground and first floors, as well as forced ventilation with heat recovery, which ensures a perfect environment in any season.

For a sustainable approach, the villas have domestic hot water generated by aerothermal energy and an installation of photovoltaic panels on the roof, promoting significant energy savings. Spacious individual plots enhance the appeal of these properties, offering a private swimming pool, barbecue area and a parking space, ideal for enjoying the climate and outdoor surroundings.
