Descrizione:

This mechanical workshop, strategically located in the centre of Benidorm, just 200 metres from the town hall, represents an excellent business opportunity in one of the busiest and most dynamic areas of the city. With an area of 150 square meters, this space is fully equipped and ready to start operating from day one, making it an ideal choice for professionals in the automotive sector looking to establish or expand their business in a hub of the city.

In addition, the possession of an opening license already granted removes one of the biggest administrative obstacles to starting activities, allowing for a smooth transition and a start of operations without unnecessary delays. The proximity to the town hall and being in the heart of Benidorm ensures high visibility and easy access for both regular customers and tourists who require mechanical services during their stay in the city.

This mechanical workshop not only stands out for its privileged location and its complete facilities, but also for the potential for growth and development it offers within the vibrant market of Benidorm. It is an attractive proposition for investors or professionals in the sector who wish to capitalize on the constant

demand for vehicle maintenance and repair services in an area of high population and tourism density.

Do not miss the opportunity to acquire a turnkey business, with all the facilities to prosper in the competitive market of mechanical services in Benidorm. - REF: Benidorm XH 403060
