This house is in good condition and can be found in a beautiful village in the south.

The house has been neatly maintained thru the years and new windows will be installed in 2023.

You enter the house into the spacious hall and then to the living room, three bedrooms, the kitchen with pantry, a bathroom and a separate toilet.

The plot is 996 m² and includes an outbuilding, a cellar and a garage.

Water and electricity are available. Gas is in the garden. For drainage there is a connection to the sewerage system. The house is centrally heated with a wood-burning stove. Connecting the internet and telephone is no problem.

The house is located in the village of Vásárosdombó, 10 km south of Dombóvár. In Vásárosdombó you can easily do your daily shopping. In the centre of the village there is a doctor, a pharmacy, a post office, a playground, a kindergarten and a school. The bus stop is 1 minute away and the train station is a 10-minute walk away.

Pécs and Kaposvár are half an hour away by car. Both larger cities where you can do your larger shopping, sit on a terrace, visiting a restaurant, but there are also schools, hospitals, sports facilities, etc. etc. Excellent base. In the summer you can go to Orfű for water fun, known for its lakes and tourism and then pleasant crowds, no mass tourism. Great environment!

House with quite a lot of space in a beautiful environment.
