Descrizione:

This commercial premises represents a unique opportunity for investors or for those looking to undertake a real estate transformation project. Equipped with four doors to the street, this space offers exceptional potential to be converted into two independent homes, thus providing a versatile and attractive housing solution in a privileged location.

The configuration of the premises, with direct access from the street, facilitates an optimal distribution that can be adapted to various designs and needs, allowing the creation of modern, comfortable and bright living spaces. This project is not only a smart investment in the real estate sector, but also offers the possibility of contributing to the rejuvenation and revitalization of the area, adding value and quality of life to its surroundings.

We invite interested parties, whether investors, designers or future owners, to contact us for more information about this location. We are at your disposal to explore together the possibilities that this space offers and to advise you at every step of the transformation process, guaranteeing a result that combines innovation, functionality and style. - REF: Elche XH 404020
