Descrizione:

This spacious family home has been designed with flexible living in mind, with a large open plan kitchen/dining/family area that links to a utility room and downstairs WC. This area is perfect for entertaining, featuring a stylish kitchen island unit, full height windows and large bi-folding doors that further extend the living space, creating a light and airy atmosphere.

Both the separate lounge and study have large windows that fill the rooms with natural light, and if you don't need a study, this space is big enough to create a second lounge area or a snug.

All of the bedrooms are double, including the main bedroom which links to an en-suite with a large shower area and Porcelanosa tiles. The family bathroom also benefits from a separate shower enclosure, as well as a stylish double ended bath and white sanitary ware.

The Robinson has an eye-catching exterior with feature brick detailing, a peak with tudor boarding and a front door canopy. This home comes complete with a block paved driveway too, adding even more character, as well as a paved patio in the turfed rear garden and fencing.
