Descrizione:

Neum, we are selling a semi-detached house in the second row, 60m away from the beach. In the basement (due to the configuration of the terrain, it is essentially a ground floor) there is a 25m2 studio apartment in front of which is a terrace with a view of the sea and the bay. On the ground floor of 45m2 there is a kitchen, a living room, a toilet and a terrace of 20m2. On the first floor of 45m2, there are two rooms, each with its own loggia and a bathroom. The house is located under the road with a public parking lot and under the house is a narrow strip that can be purchased for the construction of a garage. There is a registered staircase across that land that leads to the lower road where parking is also possible, and to the beach. Everything regarding the house is defined by the contract and each unit is fenced. It was built in 1982 and partially renovated in 2015. There is a storage room under the basement terrace.
