OVERVIEW

These stunning new 3 bedroom detached villas utilise modern sustainable construction techniques and materials to produce a "passive house" concept. This enables ideal ambient conditions to be maintained all year round;whilst achieving energy savings of up to 90% compared to conventional homes. The properties have optimal thermal insulation;that prevents thermal bridges and;uses mechanical ventilation with heat recovery as well as high-performance windows & doors and solar energy;to ensure a truly eco friendly property. They are also;only;around 15 minutes walk from the golden sandy dune beaches and beautiful;marina at the low-key,&upmarket resort of;La Torre De La Horadada. &

LOCATION

La Torre De La Horadada is a low-key, upmarket coastal resort characterised by its new-build, contemporary;properties, numerous;parks and its commercial;plazas offering a;great choice of modern International;bars, restaurants and;shops. These villas are also;just a short walk from the areas main town of Pilar De La Horadada where there is a modern high street, great schools, sports facilities, medical centres, supermarkets and all general amenities. There are also;many great;shops, bars, restaurants and fast food outlets that

are open all year round. Both La Torre & Pilar De La Horadada host weekly markets and regular fiestas and festivals.

The nearest airport is the new Region of Murcia which is just a short 30 minute drive away and Alicante is around 45 minutes. The nearest golf courses are Roda Golf Resort and Lo Romero both of which are less than 10 minutes away and there are around 15 more within a 30 minute radius of the development. The beautiful and historic Roman port city of Cartagena is about a 30 minute drive and the stunning regional capital city of Murcia with its baroque architecture and breathtaking cathedral is approximately 40 minutes by car.
