Located in the charming historic area of Chaves, this 3-bedroom building offers a unique opportunity for those who want to experience the rich cultural heritage of the region. With a prime location, the building is situated close to tourist attractions, traditional restaurants and local shops, allowing easy access to all that the city has to offer.

The building has three bedrooms, ideal for investment, and a bathroom that, although it needs work, has a functional layout and the potential to be transformed into a modern and cozy space. The common area is generous, allowing the creation of a welcoming living environment.

Although the building needs renovations to reach its full potential, its robust structure and historic charm reflect the tradition of local architecture. The large windows provide good natural lighting, and the stone walls give it a rustic character that can be enhanced with careful renovation.
