Descrizione:

Luxury historic palace: 1920s jewel with swimming pool and furniture included.

This extraordinary palace, built around 1920 by the renowned teacher, poet and painter Samora Barros, is a true jewel of national history and culture.

With imposing architecture and exclusive details, this luxury property radiates charm and elegance, transporting us to a time of incomparable glamour and sophistication.

One of the most valuable particularities of this palace is that much of its furniture, carefully preserved, is offered as a gift, at no additional cost, adding even more to its history and value. Among the items on offer, an impressive chandelier of 300 kg of Iranian crystals stands out, a piece of rare and almost priceless beauty, which further enriches the refined ambience of this unique property.

The Palacete was used for a few years as a luxury hotel, where it consistently received 5-star reviews and enthusiastic praise from all who stayed there.

Guests especially highlighted the romantic ambiance, the incomparable beauty of the place, and the proximity to excellent restaurants, making it a destination of choice for those looking for refinement and charm in every detail.
