This townhouse is located in the pretty town of Lora de Estepa close to the local amenities the town has to offer. The property opens in to a central hallway that leads to two ground floor bedrooms to the front of the property and a large lounge diner that continues to a good size living room with patio doors and typical Andalucian kitchen with plenty of storage space with access to a full family bathroom. On the first floor the stairwell opens to a central living space with access to a second bathroom and two double bedrooms to the front of the property. This property has many original quirky features including beams throughout and archways giving lots of charm. The kitchen opens out on to a private patio area with lower patio for dining and entertaining. A second level which has gated access for security leads to a swimming pool area with room to relax and enjoy the sunshine. The property also benefits from a private terrace which gives more room/space to enjoy the sunshine. This really is a lovely property in a great location with good access to the autovia to explore Andalucia, Seville and Malaga and the beautiful Estepa just 5 minutes away.
