Descrizione:

Fantastic industrial warehouse for the manufacture, packaging, preparation and distribution of food products, with ****activity included in the price****, including machinery and facilities. Ideal for any business in the agri-food sector, from ready meals to meat products.

The last activity carried out was the cutting and packaging of meat products for distribution to the hospitality industry. The warehouse has ****four cold rooms (0-5°C)****, the main one with a capacity for 30 pallets, and the rest at the service of the slicing clean room. In addition, it has an additional area for 40 pallets, ready to be equipped with a cooling system if desired.

On the ground floor, it has two changing rooms with bathroom and shower, a separate toilet, a 35 m² direct sales area to the street and a large order preparation warehouse. On the upper floor, there is a 35 m² office and several rooms dedicated to processing, washing, packaging and other processes.

Specialized machinery is included, such as ****a state-of-the-art thermoformer with four molds**** and different cutting equipment for sausages. Few warehouses in the area have a completely bent second floor
