Descrizione:

Brač, Selca, agricultural land 11.500 m²

The land is located along the main road, in the immediate vicinity of the village of Selca. It is ideal for a family farm (OPG) or agro-tourism development.

Electricity and water connections are available right next to the property.

The land is enclosed with a traditional dry stone wall, which is a valuable feature—either as a rustic-style fence for the farm or as a resource for building auxiliary structures for the farm.

Situated in a peaceful area surrounded by olive groves and Mediterranean vegetation.

The terrain is mostly flat, which eliminates the need for additional land leveling costs.

Clear ownership.
