### Descrizione:

Tucked into the lush, forested hills of Caldas de Monchique, this remarkable estate spans nearly four hectares of pure tranquillity. Two beautifully maintained residences offer a rare blend of privacy, flexibility and character perfect for multigenerational living, boutique hospitality, or a peaceful retreat.

The original villa, Foz do Banho, is a masterpiece of elegance and light. Accessed via a charming courtyard, the home opens to a generous living room with soaring ceilings, a fireplace, and Patio doors framing verdant vistas. A formal dining room, butlers pantry, and fully equipped kitchen flow from the heart of the home, while a shaded patio invites al fresco dining. Nearby, one of the most captivating pools in the Algarve offers total immersion in nature.

This single-storey residence includes four spacious bedrooms (three en-suite), a guest WC, and a large garage. Comfort is ensured year-round with central heating and double glazing.

A short stroll away lies Ribeira do Banho, a more recent construction echoing the symmetry and style of the main house. On the ground floor: four en-suite bedrooms, a large living and dining area, kitchen, and

reading nook. Upstairs: three further en-suites, a leisure space with kitchenette, and balconies with garden views. Underfloor heating, a multi-fuel system, and double glazing provide modern comfort throughout.

Both villas enjoy their own private pools, outdoor terraces, and independent entrances offering incredible potential for rental income, a family compound, or a wellness-focused retreat.

Despite its serene setting, this property is far from remote: a renowned local restaurant is within walking distance, daily amenities are less than 10 minutes away, and the beaches of Alvor and city life of Portimão are just a 25-minute drive.
