Descrizione:

Located in Larnaca.

Residential Land for Sale in Alethriko, Larnaca District. A residential land is available for sale in a quiet and beautiful area of the Alethriko community, in the Larnaca District. The property is located approximately 500 meters south of the community center and just 100 meters east of the Alethriko-Anafotia connecting road, offering excellent access to Larnaca city and the surrounding areas. The immediate vicinity is characterized by low-density residential development, including detached houses and available plots of land, providing a peaceful and natural environment ideal for residential living. The plot has an irregular shape, a flat surface, and borders a registered (planned) road on its northern boundary with a frontage of approximately 7 meters. This is an ideal opportunity for development, suitable either for residential construction or as an investment. Its privileged location and easy access make it a great option for land developers or private individuals seeking future potential.
