This Spa Suite has air conditioners in both bedrooms, a spacious tastefully furnished living room and a fully equipped kitchen. The owner can enjoy the private steam bath and jacuzzi or outside there is a choice of communal pools. The private balcony gives garden, sea and sunset views.

ABOUT THE AREA

Sabah is well-known for its many outdoor activities including island hopping, fishing, scuba diving, mountain climbing, and nature observation (including orangutans, proboscis monkeys, pygmy elephants and many, many more). Golfers have a choice of local courses – one with adjoining rain forest (Nexus Golf Resort), the other with Mount Kinabalu as the backdrop (Dalit Bay Golf & Country Club).

The nearby Lagoon Park offers half-day sea sports activities, such as parasailing, kayaking, paddle boats, viper rides, mangrove swamp adventures and sunset or firefly cruises with a buffet lunch or dinner.

Kota Kinabalu is the capital of Malaysia’s Sabah state in the northern part of the island of Borneo. Often referred to as KK, it’s known for its bustling markets, modern boardwalk, beaches and waterfront Kota Kinabalu City Mosque. It is also a gateway to Kinabalu National Park, the home of 4,095 m high Mount Kinabalu. With a port and international airport, KK acts as the gateway to exotic Borneo. Buzzy Gaya Street is the heart of the town, with its wide range of shopping, nightlife and dining.
