Descrizione:

Real estate valuation home staging in the United States or house staging in Great Britain is a set of techniques allowing to put in the best conditions a property intended for sale or rental. It is therefore a form of real estate marketing which can be similar to the packaging of other types of products.

Bedroom after valuation

Intended to promote the coup de coeur and therefore the purchase of a property real estate valuation allows the development of housing at a lower cost. Widely used in Great Britain where it concerns almost 70% of real estate transactions valuation is also very present in Sweden where it can be deducted from taxes thus promoting the real estate market.

interior design with attention to detail and staging services that will change the perspective of buyers.
