#### Descrizione:

4-bedroom villa completed in August 2008, and built of arctic pine using modern environment friendly building techniques.

The property is built on two levels and features double bedroom, twin bedroom, single bedroom and bathroom with jacuzzi on the first floor. Boasting stunning views of the surrounding area, this level comes with a balcony on the front and one on the rear.

The ground floor comprises an open space lounge/dining area, kitchen, single bedroom and bathroom with shower.

Electricity is provided by photovoltaic solar panels on the roof, while heating is via a pellet burning stove. It's virtually free from magnetic fields.

Boasting stunning views of the surrounding area, this level comes with a balcony on the front and one on the rear.

The surrounding land is certified organic and measures 2 hectares.

This unique property is situated in the countryside of Loreto in the Marches region.
