About the district of Monaco-Ville or the Rock: It is the oldest district of Monaco, it dominates the whole principality and the sea, and it is where all the governmental institutions, the princely palace of Monaco and the high school Albert I of Monaco are located. It is one of the most visited areas of Monaco, thanks to the presence of the Oceanographic Museum and the Cathedral. In the maze of old streets you will find atypical flats with all the charm of the old. It is also in this district where you will find the rare private villas still existing in Monaco. This area also offers all the necessary amenities, and a wide range of restaurants.
