<p>The Oliveiral development, close to the city and nature, is the ideal place for an everlasting life. It is the fertile ground that, when sown, like the olive trees, brings a solid and constant future.</p>

<p>With 19 plots ranging in size from 244 to 568 m2 and construction areas between 270 and 344 m2, Oliveiral aims to bring its inhabitants four-bedroom villas that will be ideal for spending quality time with the family, with outdoor spaces planted with olive trees, as well as a swimming pool in each house: a house to live in and to sow the future.</p>

<p>The townhouses share the good taste and contemporaneity that characterize Oliveiral, offering a more pragmatic and versatile solution for the spaces.</p>

<p>With a privileged location in Maia, Oliveiral enjoys a luminosity that is only possible in nature and it is this combination of nature and the city that is the great virtue of this development: two worlds in one place. Thus, surrounded by olive trees and outdoors with a swimming pool, health and fresh air come together with privacy.</p>

<p>Porto Airport is 5 minutes away and the center of Porto is 18 minutes away.</p>
