Descrizione:

Located on a quiet side street of the famous shopping Kärntnerstraße road, this graceful, 1st district, 60m^2 apartment will amaze you with its peacefulness. The building has a large arched entrance door which opens to an ample and tranquil inner court surrounded with Ivy-covered Walls. The flat itself faces this serene area and has no direct neighbors, therefore, contributing to its calm atmosphere. The bedroom is vast and uncluttered and has a well-lit desk, which also faces the inner court, ideal for activities which require distraction free environments. The multi-functional main room (suitable for dinning, cooking, lounging and socializing) is tastefully decorated and furnished with new, high quality items. The light wooden floors, high ceilings and light controlling floor-to-ceiling curtains are a few more of the characteristics that positively contribute to this pleasant home. You can reach the nearest subway by foot in 6 minutes and only half a block away you will find the Etablissement Ronacher, the traditional Performing Arts Theater with elaborate original 1870's features.
