A house with a garden at 500 m above sea level near the Voneshta Voda balneological center

We offer for sale a mountain property with a beautiful view at 500 m above sea level, near the balneological center Voneshta Voda and the town of Tryavna. Access to the property is via an asphalt road, with the last 300 m being an unpaved road.

The property has an area of 2,431 sq. m., including an old, semi-massive, two-story house with an expanded built-up area of 144 sq. m. for renovation, a two-story farm building (barn) with an expanded built-up area of 70 sq. m., and a one-story residential building with area 12 sq. m.

The area of the house is divided between two floors connected by a covered external staircase.

• The first floor includes two rooms and two cellars.

• The second is distributed between three rooms and a corridor.

The farm building (barn) is on two levels, the first level is built of stone, intended for raising domestic animals, and the second level has a wooden structure for storing roughage and farm equipment. The building can be converted into a residential area.

The secondary residential building includes a summer kitchen with shed.

The buildings need a complete renovation.

The garden space has a minimal slope - south exposure.
