Site information:

The residential building is built near the center of Ravda, on the first line to the sea. There's an elevator and covered parking.

Location:

Ravda is located next to the City-Museum Nessebar, included in the UNESCO World Heritage list. A great place to live and relax - the promenade throughout the resort, clean beaches, a variety of cafes and restaurants, places for fun with children.

In the center of Ravda there is a kindergarten, bus transport to Burgas, Varna and the nearby resorts. The year-round supermarkets are a few miles away.

In terms of infrastructure, Ravda is not inferior to Sunny Beach, the only difference is that it is a more democratic resort. Also, it is more often chosen for a holiday for the whole summer by families with young children, pensioners and those who prefer quieter places for trips to the sea.
