Pomorie is the third largest city on the Black Sea coast. The city is gradually becoming a balneological

center thanks to the therapeutic mud of Lake Pomorie and the mineral springs in the city. The modern city of Pomorie is located on a narrow rocky peninsula of the same name, extending 3.5 km deep into the Black Sea, on the northwestern shore of the Burgas Bay. The city is surrounded by the sea from the south, east and northeast, and Lake Pomorie from the north.
