Our newly renovated and lovingly furnished apartment is located in the beautiful and historic Ehrenbreitstein. The hallway takes you to the new kitchen, where you can prepare delicious food. The kitchen is fully equipped. Also from the hallway you get to the newly renovated bathroom, which has its own washing machine in addition to a shower, so that you can do your laundry. In the mirror cabinet above the washbasin you have enough space to store all your utensils. From the large bedroom you have a great view of an old, historic square. Depending on your preference, you can choose between a large double bed or two separate single beds. The new box beds ensure that you sleep on clouds. At the table between the windows you can enjoy your breakfast in the morning with a wonderful view and end the evening in one of the numerous restaurants or with a glass of wine by the window. There is also a small desk where you can place your computer. Ehrenbreitstein is one of the most historic parts of Koblenz and never ceases to amaze people with its architecture, several museums and the Ehrenbreitstein Fortress, which is only a 3-minute walk away. The city center and the neighboring districts can be reached quickly by bus, train or bicycle.
