The 115 m² apartment on the 1st floor offers enough space for a group of 6 to feel at home. There are 3 bedrooms available, each of which has a king-size box-spring bed (1.80 m wide) in which you can sleep wonderfully and recharge your batteries for the next day. You can store your clothes in the open wardrobe module or in the walk-in closet. One room also has a desk with a lamp. You can relax on the comfortable couch in the living room or watch a movie after you have fortified yourself for or after the day at the spacious table. In the kitchen, you will find enough space to prepare and cook your meal for 6 people. Spectators can take a seat at the high table - with a glass of Rhine-Hessian wine in hand. A bathroom with natural light and bathtub (incl. shower enclosure) invites you to relax. The view of the Germania and the Niederwald monument on the opposite bank is breathtaking. Take the passenger ferry to the opposite bank in Rudesheim and take the cable car up the mountain. In combination with the famous Drosselgasse in Rudesheim am Rhein, this excursion is one of the highlights. Let the wind blow around your nose on the excursion boats and enjoy the view to the left and right of the Rhine. The legendary Mäuseturm tower is part of this trip. Beautiful hikes or bike tours through Rheinhessen or the Rheingau can be started right on the doorstep. Here you can simply unwind or relax while you work.
