Descrizione:

I am renting out this beautiful top floor in the heart of Wilsdruff. The apartment is located in a 4-family house and is characterized by bright living spaces. The bathroom with bathtub is also flooded with light thanks to the large window. A cellar room can be provided as an option. The fitted kitchen (which was newly installed almost 2 years ago) is part of the rental property. The apartment has a floor area of 72 sqm, but due to the sloping roof only 50 sqm of living space is included in the rental agreement. The apartment therefore appears much larger! The house is only a few minutes' walk from schools, doctors, bus stops and shopping facilities.
