Descrizione:

Unique villa project designed in harmony with the natural environment. This three level villa in Reserva del Higuerón is characterised by its rectangular architectural lines, its large windows that flood the villa with light and its majestic Mediterranean garden. The penetration of reflected light into the rectangular architecture of the living room creates an atmosphere of peace and tranquillity. The Italian kitchen with wood and marble finishes adds a sophisticated touch to the space, creating an upscale room. On this main level you also find the two car garage and a study room, It is especially separated from the rest of the house, acquiring the added value of privacy. On the upper floor you find the master bedroom, a very unique due to its spaciousness and the reflection of the exterior architecture. It has a dressing room with warm light and views of the Mediterranean Sea and the local palm grove. It is characterised by its privacy as it occupies the entire floor of this large villa. The lower floor offers three bedrooms en- suite with direct access to the large terrace and pool. Enjoy the huge sofa while watching a movie in the wonderful home cinema. Delivery: 20 months from private purchase contract.
