Descrizione:

This is a fantastic opportunity for anyone looking to enjoy the Spanish countryside and way of life whilst still having good access to the beautiful town of Antequera and all it has to offer, including amazing health facilities, schools, large supermarkets, shops, bars and restaurants. The main property is a single storey with a gated entrance which leads in to a private courtyard with grapevines for shade. Once inside there is a good sized living area, a spacious country kitchen with plenty of storage, a large full family bathroom and four good sized bedrooms. Although the property is being sold with over 29000m2 of land most of it is not fenced as it's made of mainly of mature olive trees. The area around the property has been fenced making this completely private with fruit trees and plenty of room for a vegetable garden. The land reaches down to the road and continues on the other side where there is a second casita (cottage) which is also included; this is small but could be used for guests. Great Rural property amazing views, plenty of potential.
