Descrizione:

After the commercial success of the first phase the second phase has now been released with a new proposal that promises to go a step further and offer a highly optimized product tailored to your taste and needs. Life always gives second chances, and we are sure that this time you will not miss yours to enjoy your new home in one of the most promising areas on the Costa del Sol.

The residential complex consists of spacious 1, 2 and 3 bedroom apartments and stunning 3 bedroom penthouses. The Costa del Sol has a wonderful all year-round climate, and we want you to make the most of it. Therefore, the project will enjoy spectacular terraces, turning your home into your own private paradise. All homes have a garage and storage room.

As an innovation of the new phase we have added underfloor heating in bathrooms. This is a cleaner and more efficient heating system which contributes to create a cozy atmosphere in your future home. In addition to having all services and amenities within walking distance, it also has wonderful communal areas with swimming pool and gardens to enjoy with family. The little ones can have fun in the children's playground area while you complete your daily wellbeing in the sauna or the gymnasium.
