€79,000

Floor Area: 200

This house is in an excellent location close to the bottom of town with the added bonus of a large garage and storage areas. The house has been finished in places, but other places remain needing work.

As you enter through the tiled entrance hall, there is a door to the garage and storage rooms to your left and a stair staircase leading up to the accommodation, Upstairs you have a spacious sitting room and dining room with a door leading to a unfinished kitchen. All the plumbing and electrics are prepared but it needs to be finished up.. There is also a terrace of the kitchen with installations for a bathroom.

Upstairs there are further three bedrooms with bathroom and the most amazing sunny Terrace with far reaching view.

The house does need work in places and you would be able to potentially get a rental apartment from the storage room rooms, So the property does have a lot of potential. Priced to sell.
