An extraordinary opportunity awaits to acquire a truly exceptional piece of paradise: a luxury 3 double bedroom, detached second-line villa with its own private pool within the prestigious Meliá Tortuga Beach Resort in Cape Verde. This isn't just any villa; it occupies a prime position, offering a unique combination of stunning views, unparalleled access to the beach, and the coveted flexibility of private use, setting it apart from many other properties within the resort.

To join the Rental Scheme, there is an annual minimum return of 12,000 Euros, paid quarterly. Also with this is 5 weeks, per annum, private use.

Uninterrupted Views and Perfect Proximity

What truly distinguishes this villa is its strategic placement. As a second-line property, it sits just behind the frontline bungalows, yet is elevated in such a way that it enjoys uninterrupted sea and beach views. This unique vantage point ensures magnificent vistas over the turquoise waters and white sands, culminating in the spectacular sunsets for which Cape Verde's west coast is renowned. Imagine starting your day with the gentle ocean breeze and ending it with a breathtaking display of colours painting the sky – all from the comfort of your private veranda.

Beyond the views, the villa boasts an unbeatable location for beach lovers. It is less than a 2-minute walk from Bikini Beach, a celebrated stretch of coastline known for its safe, year-round snorkeling and swimming in crystal clear waters. This immediate access to one of Sal Island's most beautiful beaches means spontaneous dips in the ocean are always an option, and the vibrant marine life just offshore is a constant invitation to explore. This prime beachfront proximity truly enhances the luxury resort experience.

Superior Quality and Design

This superb villa is offered fully furnished with top-of-the-range furniture, ensuring an immediate and seamless transition for the new owner. Every detail has been carefully considered to provide a luxurious and comfortable living environment.

The fact that this villa is explicitly highlighted as being in 'one of the best locations of all the 3 bed villas on Meliá Tortuga' underscores its premium status and investment value. Such prime properties within a renowned resort are highly sought after and tend to command excellent rental yields and capital appreciation.
