An urbanized plot of land located between Sunny Beach and Kosharitsa, in the Gyurgenlika area. The purpose of the land is an undeveloped property for a resort and recreational facility. An ideal location for building a hotel or a house.

The village of Kosharitsa is located in a picturesque area at the foot of Stara Planina, a few kilometers from Sunny Beach. This is the village closest to the beach, where there is everything necessary for a comfortable permanent residence - the roads are paved, there is a central sewer and water supply. There is a year-round bus service between the village and neighboring resorts.

Due to its location, Kosharitsa is becoming a popular tourist destination, especially for those who prefer peace, comfort and remoteness from the bustle of the resort. In addition to shops, there is a church and a school in the village. Several resort villages and private villas are located along the coast towards Sunny Beach.

The distance to Burgas is 40 km, to Varna - 90 km.
