Descrizione:

Cumbre Villas presents this one-of-a-kind property in Punta de la Mona, La Herradura, featuring a unique design and multi-level layout that maximizes both space and uninterrupted sea views. It has the potential to be extended with 700 m². The main house offers two bedrooms and two bathrooms, along with a bright living-dining area that opens onto a spacious terrace, perfect for enjoying the spectacular coastal scenery. The kitchen, blending rustic and modern elements, is both functional and stylish. The guest house, accessible via a wooden bridge with a separate entrance, provides privacy and comfort for visitors. Wooden walkways connect the pool, covered terraces, and lush garden, seamlessly integrating the home with its natural surroundings. Designed with sustainability in mind, the villa is built using eco-friendly, high-quality materials, promoting a harmonious lifestyle with nature. This is truly a real estate gem for those seeking a serene and elegant retreat on the Costa Tropical. Contact Cumbre Villas for more information and to arrange a viewing.
