#### Descrizione:

This is a perfectly presented home with every space well thought out and used, built in 2005

Set right in the heart of Zahara de la Sierra pueblo blanco , this three bedroom house currently runs well as a licensed casa rural.

Steps lead from the street door to a wood and glass vestibule .

The ground floor is open plan with cosy lounge area complete with open fireplace , a breakfast bar and a hand built rustic style kitchen with a large pantry cupboard bestowing at the far end , all the wood and metal furniture was custom built to fit the spaces and two good sized windows give glimpses out to the views .

a Stunning feature spiral stair case then leads up to the first floor which comprises of a lovely light master bedroom which has a balcony and built in wardrobes .

A very neat bathroom again in the rustic style it has a shower , a built sink unit a loo and bidet plus deep tiled shelves in a nook .

The second double bedroom also has made to measure wooden built in wardrobe and light floods in from the window .

on the top level under the slopped roof is a third single bedroom again with built in wardrobe .There is a well organised laundry on this level too .
