Descrizione:

Nestled in the vicinity of a rural village, this stone farmhouse offers views over the surrounding countryside from the back. It is composed of an 88m2 character house comprising 3 bedrooms, kitchen, lounge and shower-room. The inside needs modernising but is habitable as it is (recent gas central heating).

Various outbuildings complete the property including a heated one room studio apartment,

Ideal for guests, as well as barns, garages and stables giving a big range of possibilities (ideal for builders or a renovation project).

The 5600m2 mature garden comes with many trees, fruit trees, plants and a well, a bonus for a vegetable plot.

Property Tax 503 Euro a year.

The Vienne department is in the region of Poitou-Charentes. The name of the department comes from the Vienne River and the area benefits from an interesting location that is not far from the Atlantic but also close to the centre of France.

Poitiers is the main town of the French department, with its massive theme park attraction.

The countryside is made up of rolling hills and the climate is mild, similar to the Aquitaine which is considered one of the best climates in France, with mild summers and soft winters. The proximity of the sea and the mild climate play a major role in the wine growing industry.
