We are pleased to present to you this wonderful huge family home, located in the heart of the popular village of Los Montesinos on Spain's sunny Costa Blanca. The village has all necessary amenities, and is just a short drive to the beaches, and well connected to the motorway and Alicante airport!&nbsp; The property is built over three levels. On the ground floor you have a charming entrance hall, which leads left into the garage and lower section of the villa. Here you have parking for various cars available, and the current owners also use this as extra living space – you have a living room, kitchen, 3 bedrooms, a bathroom and even an indoor swimming pool! Its a perfect space for extra family members who would like privacy or prefer ground floor living.

Upstairs from the entrance hall you access the main part of the property. You have a large living room, with fireplace and a balcony with views to the countryside and the lakes. There is a very large separate kitchen with dining table and access to the rear terrace which is spacious and perfect for entertaining friends and family. On this level you also have four double bedrooms, and two family bathrooms to share.&nbsp;

Heading upstairs is another living room or possible bedroom which is currently set up like a gymnasium,

and gives access to the wonderful full size solarium, from which you can enjoy the views towards the natural park, lakes and sea!

This property is well maintained and ready to move into! There is air conditioning throughout, a fireplace, plenty of storage space and wardrobes, and the house is offered partially furnished subject to offer.&nbsp;
